

Coming Soon: Your Upgraded Digital Banking Experience

We'll soon be introducing your new and improved Online Banking and Mobile App experience with a **refreshed look, added features, and improved performance.**

The same hometown bank you know and trust with new tools designed with you in mind.

Stay tuned for more information about what to expect, including:

- Important dates
- First-time login instructions
- Details about any temporary service interruptions
- Helpful tips and FAQs

In the meantime:

- Please take a moment to confirm your **mailing address, email address, and phone number** are up to date in our system to ensure any important communication is received.
- Be sure you know your current **digital banking username and password** to help make your login into the new platform as seamless as possible.

We're excited to bring you these digital banking enhancements and look forward to keeping you informed along the way!

As always, our team is here to provide you with any assistance.
