

“Today’s U.S. Headlines (09/08/2017): Giant Equifax data breach: 143 million people could be affected: Cyber criminals have accessed sensitive information – including names, social security numbers, birth dates, addresses, and the numbers of some drivers’ licenses. Equifax’s breach occurred between mid-May and July. Equifax said it discovered the hack on July 29. For additional information concerning the breach, please visit Equifax’s website at <https://www.equifaxsecurity2017.com/consumer-notice/>”
